Answer

THE MINISTER OF STATE FOR POWER, COAL & NEW AND RENEWABLE ENERGY (INDEPENDENT CHARGE) (SHRI PIYUSH GOYAL)

(a): The details of targets and achievements made from various renewable energy sources during the last three years and current year are as follows:

Year	Target	Achievement
2012-13	4125	3162
2013-14	4325	3621
2014-15	3770	4089
2015-16 (upto 30.06.2015)	4460	695

State-wise targets for the power generation from renewables are not fixed. Source-wise, year-wise and state-wise achievements made during the last three years and current year are given at Annexure-I
(b): Generally implementation of various renewable energy programmes is satisfactory. However, some of the hurdles faced in the implementation of these programmes in states, inter-alia, include servicing and maintenance of renewable energy systems in remote areas; delay in submission of Utilization Certificates of grants released earlier; non-compliance of Renewable Purchase Obligations (RPO); and non-revision of tariffs regularly as per CERC guidelines, etc.
(c),(d)&(e): State-wise details of Central Financial Assistance (CFA) released for promotion of renewable energy in the country vis-Ã -vis their utilization during the last three years are given at Annexure-II
